

LA MISIÓN

DE BODEGAS M.A.

VERDEJO

Type of wine: white.

Grape varieties: 100% verdejo.

Alcohol content: 13%.

Tasting notes: it appears clean and shiny on the eye. It has a pale yellow color and green undertones that indicate we are about to enjoy a young wine. On the nose, we find quite an intense aroma commonly seen on verdejo wines. It is a fresh well-balanced wine that offers a nice mixture of tropical fruits with fennel and fresh herbs alongside with a wide creamy texture. Slightly sour notes can be noticed towards the finish, which provide sophistication to the wine. It possesses a long and persistent aftertaste that reminds us, again, of the tropical nature proper of the verdejo grape.

Presentation: cardboard box containing six 75 cl bottles.
